

TAKING THE ZERO OUT OF FANTASY SPORTS

As your commissioner, it is my duty to distribute these league By-Laws to all league members, and replace an owner only when it is appropriate as listed below.

As your commissioner, I am asking you to review these league By-Laws, as they detail the criteria our league will follow for owner removal.

LEAGUE BY-LAWS

An owner shall be removed if:

- **There has been a documented case of collusion.**
- **Owner failed to pay league entry fee by the league deadline.**
- **Active roster consist of injured/bye week players for consecutive weeks. (2 or more)**
- **Owner is dropping players that should not otherwise be dropped. (commissioner discretion)**
- **Owner stated that he has quit.**
- **It is obvious that a team owner has stopped checking the league.**
- **Owner is disrupting the league in any other fashion. (insulting/derogatory comments about family, gender, race, etc.)**

In most cases, an owner is being replaced due to inactivity at a mid-late point in the season. Owners are replaced to keep your league competitive, and prevent cases of unbalanced matchups at critical points of the season. Due to these circumstances, the replaced owner will most likely be unaware that he has been removed due to his inactivity. We recommend that you send an email to the owner prior to replacement, in order to give the owner a last chance to resume coaching. Most of the time, the owner will give the commissioner approval to be replaced. We believe that these By-Laws are an important framework for owner removal upon no reply from the owner himself.

Mission Competition is not responsible for any league disputes, including the inappropriate removal of an owner/s.
